

State Street, 9000 South to 10600 South Construction Update!

Construction Update

- Left turns may be restricted except at major intersections, depending on construction activities in the area.
- Please encourage your customers to enter your parking lot with a right turn and exit with a right turn.
- Business access will be maintained through the construction zone.
- Two lanes will be maintained during peak hours. Expect delays for this area.
- To be included in project email updates, please send your email to state90-106@hwlochner.com
